

# Tamarack Tales

Tamaracks Resort, Seeley Lake, Montana

**Introducing...** As the summer season draws near, we at the Tamaracks Resort wanted to take a few minutes to let you know a little about us and the activities we are planning for the season. This *Tamarack Tales* is a sample of a weekly newsletter that the Tamaracks Resort publishes during the summer to inform guests about special events and activities happening in the area during their stay. ENJOY!

## UNDER CONSTRUCTION

We have remodeled the former log recreation building into our beautiful new **Seeley** rental cabin which sleeps six people. The big log home, formerly the office and owner's residence, has also been remodeled into our **Lakeside** rental cabin which sleeps 10 people. We have put up a **temporary office** building, which is located next to the Bathhouse/Laundry, and we have plans this fall to start the construction of our new guest facility which will house our office, gift shop, bathhouse, and guest laundry. Plans are also in the works for a new guest use/group gathering building which we hope to start next spring.

## Learn a bit about Loons

**Size:** 28 to 30 inches long

**What to look for:** large, heavy body; pointed bill, dark head, prominent neck ring, and black and white pattern on back; upper parts dark gray in winter

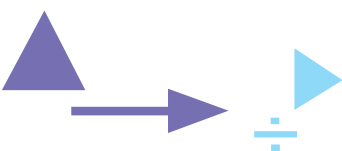

**Habitat:** forest-edged lakes, rivers, coasts

Every year we at the Tamaracks anxiously await the arrival of our friends the loons, for with them comes the spring. The best time to see a loon is early in the morning while the lake is still calm and quiet. In the evening, listen for the loon's haunting calls drifting across the lake.

## Gift Shop

Smaller, but still here! We've spent the winter expanding and building but the new gift shop/office won't be done until 2001. But, never fear, we still have a few new items in our little temporary store. Please come check us out. We carry a variety of gifts, including huckleberry products, t-shirts, sundry items and much more. The office/gift shop will be open daily from 9 AM to 8 PM.

Guest check-in is between the hours of 3:00 PM and 8:00 PM. If you will be arriving later than 8:00 PM, please let us know and we will make arrangements for a late check-in. All guests must check-in at the office upon arrival.

Don't forget our office has moved! It is now located in a temporary building near the bathhouse/laundry.

The Tamaracks Resort no longer allows pets on the resort property. Please make other arrangements for your pets if you will be taking them on vacation with you.

If you have any questions or require any special arrangements, please give us a call at 1-800-447-7216.
